

Cameron Parish Ambulance District 2

TAX RENEWAL

Why You Ask?

- If you're registered to vote in our district or pay taxes in our district, you'll have no out of pocket expense should you use Cameron Parish Ambulance Dist. 2.
- Your wait for our ambulance service will be much shorter than waiting on one to come from the city.
- We do welfare checks on the elderly and home-bound patients. Vital sign checks are taken at the Senior Citizen Events.
- We are at your children's sporting events or if we aren't there, it is due to a 911 emergency.

April 18, 2026 Ballot
MISSION STATEMENT**

Cameron Parish Emergency Medical Services (EMS) is dedicated to the caring, the treatment and the transportation of the sick and injured. Our objectives are to alleviate pain and suffering and to preserve the life through the application of established professional protocols and procedures.

A new ambulance and crew of four to cover Klondike and Lowry was added on December 9th 2024.

Our Levels of Training

EMT & Paramedic

The primary focus of the EMT and the Paramedic is to provide basic emergency medical care and transportation for the critical and emergent patients who access the emergency medical system.

This individual possesses the basic knowledge and skills to provide patient care and transportation.

EMTs and Paramedics function as part of a comprehensive EMS response, under medical oversight. EMTs and Paramedics perform interventions with the basic equipment typically found on an ambulance. The EMT and Paramedic are a link from the scene to the emergency health care system.

25 Employees

- 13 Paramedics
- 12 EMTs
