

North Cameron Emergency Operations Center

The newly completed NCEOC represents much more than a government building. The 4,490 square ft. building is designed to withstand CAT 5 winds. It serves as a staging area for staff and officials in the event of an emergency.

The building also serves the community as a community center for the Grand Lake, Sweet Lake and Big Lake areas.

Call 337-775-5718 for more information.
